

More Discounts !More Preferences !

Upgrade Everyday!Surprise Everywhere !

The Bebon Stock Resource Promotion Edition is waiting for you !

Cheap price,best quality and service would be your first-choice in the present steel industry!

Look forward to your cooperation and attention for the Bebon Stock Resource Column !

As the new adding-up stock resources of this week,the ship-building steels own the richest stock,the best affordable price and the best-quality service in the whole steel industry .

Rush to place an order now ! More preferences and gifts would be ready for you if you order in a large quantity .

| steel grade | Thickness (mm) | Width (mm) | Length (mm) | pcs | weight(ton) | price(usd) | warehouse |
